Class 3 | English | Ch 1: Colours | MEDIUM

Name: _____ Date: _____

MEDIUM — Time to Apply!

Use what you know: story ideas, joined words and alphabetical order.

Brainy says: Hello, friend! I am Brainy, and today we play with the poem "Colours". Two children each have a few crayons, and when they share, something lovely happens! We will also hunt for colour words, action words, friend-words and tricky letter sounds. Ready, steady, go!

Two children, three crayons each - share them and make a FULL PACK!

Each child has three crayons. When they share, together they have a full pack of six.

SECTION A — THE POEM "COLOURS"

Q1. In a Pune classroom, Meena has only a red crayon and Arjun has only a black one. What would the children in "Colours" tell them?

(a) Keep your own crayon to yourself
(b) Ask the teacher for a new pack
(c) Share your crayons with each other

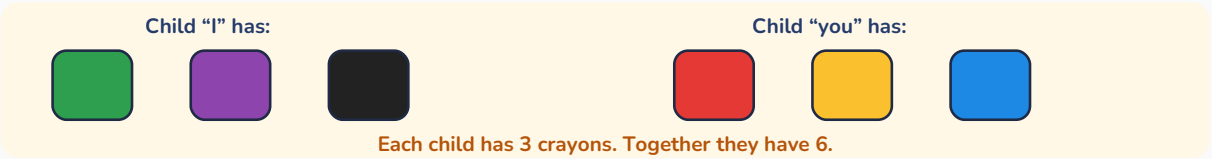

Q2. The child who says "I" needs red. Why can this child not use their own crayons?

(a) Their crayons are green, purple and black
(b) Their crayons are red, yellow and blue
(c) They have no crayons at all

Q3. In "Colours", sharing helps only the child who needs red.

☐ True ☐ False

Q4. Why does the poem end with “we” have a full pack and not “I”?

(a) One child takes all the crayons
(b) They buy a new pack together
(c) Shared crayons make one pack for both

Q5. The six crayon colours in “Colours” are red, yellow, blue, green, purple and _____.

Q6. Riya says, “In ‘Colours’, both children have red crayons.” Which correction is right?

(a) Only the child who says “I” has red
(b) No child in the poem has red
(c) Only the child called “you” has red

SECTION B — FRIEND-WORDS AND ACTION WORDS

Q7. Three of these are real words made by joining two words. Which one is NOT a real word?

(a) rainbow
(b) newspaper
(c) earthworm
(d) rainpaper

Q8. Join each word (Column A) with the friend-word (Column B) to make a new word.

Column A	Column B
1. sun	A. ball
2. foot	B. fly
3. tooth	C. flower
4. butter	D. brush

Q9. Which friend-word joins with “blue” to make the name of a small fruit?

(a) bow
(b) berry
(c) worm

Q10. At the Diwali mela, Faiz eats a jalebi and Asha dances. Which two words are action words?

(a) mela, jalebi
(b) eats, dances
(c) Faiz, Asha

Q11. In “Kavita keeps the kittens on her knees”, the action word is “knees”.

☐ True ☐ False

Q12. Three of these are action words. Which one is the odd one out?

(a) yawn
(b) face
(c) see
(d) cough

Q13. Look at the four pictures. Which picture shows the action word “write”?

(a) (a) the child who is jumping
(b) (b) the child who is sleeping
(c) (c) the child holding a pencil
(d) (d) the child who is smiling

Q14. At lunch time, Riya _____ her tiffin box.

SECTION C — SOUNDS AND ALPHABET ORDER

Q15. Rearrange the letters L Y L E W O to find a colour: _____

Q16. Which group has words that ALL begin with “cr”?

(a) crab, crane, crow
(b) crab, grass, crow
(c) crayon, drum, cradle

Q17. Which sentence repeats the same beginning letter, like “Govind goes to get guavas”?

(a) Madhav mixes milk and mango pulp.
(b) Rohan drinks a glass of tea.
(c) Tina buys cold milk for us.

Q18. Match each letter (Column A) to the sentence that repeats it (Column B).

Column A	Column B
1. P	A. Prema puts pencil in her pocket.
2. R	B. Radha rolls a red ribbon.
3. V	C. Six sparrows sit on a sack.
4. S	D. Vishnu visits a village in a van.

Q19. Fill in the fruit that keeps this list in alphabetical order: apple, banana, cherry, _____, orange.

Q20. Write these words in alphabetical order: prize, crab, grass, drum.

Q21. Underline or write down the two action words: “Tara draws a flower and sings a song.”
